Uponor Experts: Your Professional Resource

Plumbing and Fire Sprinkler Systems

Jayson Drake is director of Plumbing and Fire Safety for Uponor North America. With more than 20 years of product management experience in business development and marketing roles in the manufacturing industry, Drake is a passionate advocate for products that offer solid solutions for end users.

With the recent residential fire sprinkler mandate, Drake is an excellent resource for information, and he has been featured in several publications for both trade and consumer audiences. Drake has a Bachelor of Science degree in Engineering from Iowa State University and an MBA from the Carlson School of Management at the University of Minnesota. He can be reached at jayson.drake@uponor.com.

Director, Plumbing and Fire Safety

Radiant Heating and Cooling

Mark Hudoba is director of Radiant Heating and Cooling for Uponor North America. He has extensive product development, marketing and sales experience in the housing and construction industries with companies such as 3M, Andersen Windows and Wayne-Dalton Corporation.

Hudoba has been featured in various trade and consumer articles as an expert in heating and cooling, focusing on energy efficiency. He has a Bachelor of Science in Mechanical Engineering and Business Marketing from the University of Minnesota and an MBA from the University of West Florida. Additionally, he is listed as an inventor on 10 patents and is a professional member of the Radiant Panel Association (RPA) and the Society of Manufacturing Engineers (SME). He can be reached at mark.hudoba@uponor.com.
