

## EVENT AGENDA

The 2016 Uponor Connections Convention is an industry-leading event for professionals who install, design and specify PEX plumbing, fire safety, radiant heating/cooling, hydronic piping and pre-insulated piping systems. We are excited to celebrate our joint success and share best practices and fresh new ideas with other professionals from across North America. With more than 30 educational breakout sessions and enhanced expo, you'll have many opportunities to check out our new products and speak with industry experts.

During registration, you have the opportunity to create your own agenda by selecting complete breakout tracks or individual breakout sessions best suited to your business. The agenda below outlines the event framework, you will receive your personalized agenda after you register.
